Leave your worries onshore.  
Global support, 24/7.

mtu ValueCare

# Welcome to the family.

You've joined an elite class of yacht owners, designers, builders and marine engineers who demand only the most powerful, reliable, and sophisticated engines. To keep those engines performing optimally for years to come, your engine purchase includes a best-in-class warranty and several complimentary MTU **ValueCare** products and services.

## Your new MTU engines already include\*

- Prompt, expert support from our worldwide service network
- Immediate attention 24/7 from our Customer Assistance Center
- Invitation to exclusive Annual Convergence for Captains and Chiefs
- Re-commissioning inspection
- A global inventory of genuine parts to maximize availability
- Comprehensive 24-48 month warranty

*\*see your warranty for details*

## Premium power deserves premium service.

It's more than a yacht. It's a symbol of your sense of adventure and your freedom from an ordinary life. A personal dream fulfilled.

Our job is to make sure you can live that dream anytime, anywhere, confident that we're ready when and where you need us. That's why MTU **ValueCare** premium products and services are the perfect complement to your MTU yacht engines.

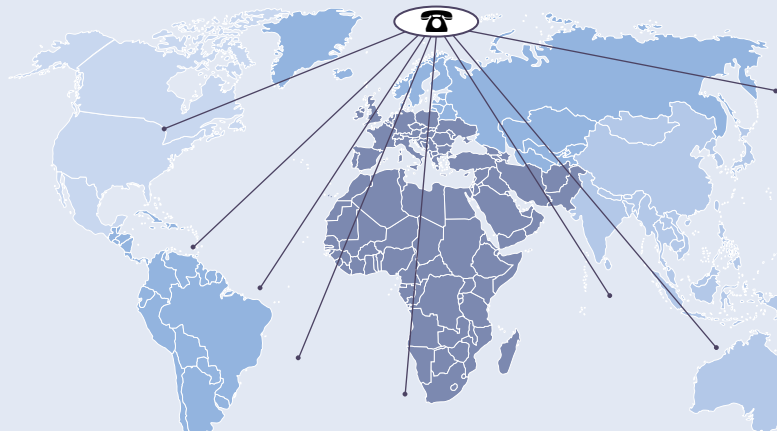

## Customer Assistance Center

### One call is all it takes

Agents are available 24/7 to respond to your inquiries and any service needs.

# One smart investment deserves another.

You're justifiably proud of your yacht. From her powerful performance and unmatched beauty to her handpicked décor, she reflects your individuality and passion. Your yacht is also a substantial investment. You should be able to cruise confidently, enjoying every moment along the way. That confidence starts with reliable MTU engines and continues with MTU **ValueCare** premium products and services.

## Everything you need to keep going.

### ValueService

**Extended Propulsion Coverage (EPC)** provides peace of mind by covering the cost of unexpected repairs beyond the standard warranty, with service from MTU-authorized service centers. EPC can also be fully transferred during resale, enhancing resale value.

**Customized Care** professional maintenance and repair contracts make it easy to plan the cost of maintenance throughout your engine's lifecycle.

**Annual Check** provides yearly inspections and maintenance recommendations from the experts who know your engines best.

**Product Training** helps keep your crew proficient with MTU engines and systems for reliable operations and general maintenance.

**Swing Engines** are available to keep you cruising if extended service requires the removal of the engine.

### ValueSpares

**Genuine parts** are designed, tested and approved by MTU for MTU, to keep your engine running optimally.

**Top-quality consumables** maximize the performance and longevity of your engines and systems.

### ValueExchange

**Remanufactured products** provide genuine OEM quality and warranty at value-conscious prices.

Rely on MTU **ValueCare** for smooth sailing.
